

# Preparing to Teach in the Lifelong Learning Sector

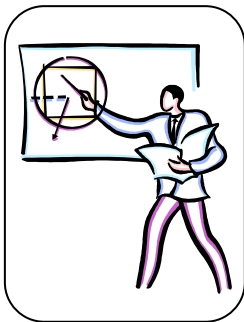

City & Guilds course code : PTLLS 7303

This course is for people who intend to be teachers, trainers or instructors of adults. It is also suitable for existing teaching and training personnel in business, communities and the public sector.

The PTLLS / 7303 qualification is the new minimum requirement for people who wish to teach in post-16 education and training.

- Course includes :
- Lesson planning
  - Presentation skills
  - Teaching methods
  - Practice teaching sessions
  - How to use teaching resources
  - Assessing how well your students are learning

- On this course you will be assessed using a mixture of :
- observation of your practice teaching by experienced tutors
  - coursework and written assignments
