

First Aid for Childcarers

a two-day course to meet OFSTED requirements

This course is suitable for those working in nurseries, child care centres and crèches. It is designed to meet the requirements of OFSTED under the guidance issued by DfES.

The course lasts two days and is suitable for staff training on your own premises. We also run courses open to individuals at our training centre.

A certificate, valid for three years is awarded to each candidate.

All teaching materials are provided by us.

The cost of an individual place on a course at our training rooms is **£195.00** each including VAT.

See dates on our website www.carltontraining.co.uk.

The cost of a course for up to twelve persons on your premises is **£1050.00** including VAT.

Call us to arrange times and dates.
