COURSE OVERVIEW

The Level 5 Diploma in Education and Training (RQF) is a nationally recognised qualification

This course covers modern teaching theories and practices that can be applied in the learning environment, classroom or workplace. We will help you evaluate your current practices and enhance your teaching techniques.

This qualification will open the door to new career and employment opportunities. You will be confident in showcasing your skills and ability in teaching and training .

When you finish the course successfully you will be awarded the nationally recognised qualification by City & Guilds.

Gaining this qualification can enable you to apply for your QTLS status with the Society for Education and Training (SET), allowing you to teach as a qualified teacher at schools in England.

Online Learning

Our Level 5 DET course is available through our online learning portal so you can work at a pace that suits you, with the freedom to study from any location

The online learning portal is available 24/7 and has been developed by our team of expert teachers and tutors to help you achieve success. It has a whole a range of video lessons, learning materials, templates and guides which are designed to help you gain your qualification and extend your skills.

You'll also be allocated a named tutor from our team, who will be your guide and support for that personal touch.

Group Training

We can provide the Level 5 DET as an onsite course for a group at your workplace. This can be on dates and times to suit your organisation. Our expert tutors will visit and provide expert face to face tuition. This onsite training is not only cost effective, but it also gives you the freedom to choose when and where the course takes place.

Our onsite group training offers flexibility, allowing you the freedom to choose the date and time that suits you best. This allows us to train staff, volunteers and contractors while avoiding disruption to the workplace.

There's nothing to beat great tuition in a face to face setting, where your team are learning from an expert.

ASSESSMENT

You'll be allocated a named tutor from our team, who will be your guide and support for that personal touch.

Before you start anything you'll be invited to have a one to one talk with your tutor to set you off on the right track.

When you've completed this course, you'll be able to master modern techniques and current best practices which will enhance your classroom teaching performance. The course has been developed in conjunction with City & Guilds, and it's a modern, up-to-date and extensive qualification that will help you develop your teaching abilities.
