# Online Learning

Our Level 3 Award in Understanding the Principles and Practices of Assessment (RQF) course is available through our online learning portal so you can work at a pace that suits you, with the freedom to study from any location

The online learning portal is available 24/7 and has been developed by our team of expert teachers and tutors to help you achieve success. It has a whole a range of video lessons, learning materials, templates and guides which are designed to help you gain your qualification and extend your skills.

You'll also be allocated a named tutor from our team, who will be your guide and support for that personal touch.

## Key Points

### Study Times

to suit you

### Everything

you need online

### Your Tutor

from our team

# Group Training

We can provide the Level 3 Understanding Assessing as a 1-day onsite course for a group at your workplace. This can be at dates and times to suit your organisation. Our expert tutors will visit and provide expert face to face tuition. This onsite training is not only cost effective, but it also gives you the freedom to choose when and where the course takes place.

Our onsite group training offers flexibility, allowing you the freedom to choose the date and time that suits you best. This allows us to train staff, volunteers and contractors while avoiding disruption to the workplace.

There's nothing to beat great tuition in a face to face setting, where your team are learning from an expert.

## Key Points

### Course Dates

to suit your schedule

### Training

at your workplace

### Your Tutor

from our team

# COURSE OVERVIEW

The Level 3 Award in Understanding the Principles and Practices of Assessment (RQF) is a nationally recognised qualification

This course delivers a sound foundation in assessing as well, without the need to assess any candidates, so it is an ideal introduction to the subject.

This qualification will open the door to new employment opportunities. You will be confident in showcasing your knowledge and understanding of assessments.

When you finish the course successfully you will be awarded the nationally recognised qualification by City & Guilds.

# ASSESSMENT

You'll be allocated a named tutor from our team, who will be your guide and support for that personal touch. They will be your assessor - so there's no need to find your own qualified assessor or witness, we handle everything.

Before you start anything you'll be invited to have a one to one call with your tutor to set you off on the right track. The main part of the course is a single, theory based, unit. For this you'll need to answer a series of straightforward questions on our portal, which has video lessons and guides for you.

You'll also be supported by your tutor who will provide guidance and feedback to help you.

## Key Points

**Online and practical**  
tasks to do

**Assessment**  
by your tutor

**Tutor support**  
and feedback

# RECOGNISED QUALIFICATIONS

The City & Guilds Level 3 Award in Understanding the Principles and Practices of Assessment (RQF) is a nationally recognised qualification, regulated by OFQUAL.

All candidates who complete successfully are awarded their certificate by City & Guilds, one of the world's longest-established and best known Awarding Bodies.

As an Approved Centre with City & Guilds, all Carlton Training's courses are covered by both our own inhouse quality team and also by City & Guilds. This ensures we meet the high standards that our learners have come to expect.
